Contribute Existing Information

The form is titled "Contribute Existing Information" and is labeled with reference numeral 200. It contains two identical sections for creating nodes, each labeled "Make a Node" with reference numeral 202. The first section includes the text "(Latest Entered)" above the input fields. Each section has two input fields: "Address" (reference numeral 204) and "Label" (reference numeral 206). A "Submit" button (reference numeral 208) is positioned between the two sections. Below the sections is a large rectangular box (reference numeral 210) with the text "Describe the relationship between these entries" (reference numeral 208) above it. A squiggly line connects the reference numeral 201 to the top of the form.

Node Content
(To be displayed when someone
clicks on this node in the graph)

304

306

Submit

The diagram shows a form for creating a node. At the top, there is a title field labeled 'Title' with a reference number 302. Below the title field is a large rectangular area for 'Node Content', which is described as 'To be displayed when someone clicks on this node in the graph'. This area is labeled with reference number 304. To the right of the node content area is a 'Submit' button, labeled with reference number 306. A wavy line with the reference number 301 points to the entire form area.
